Hint: With the younger athletes, the order of running in the track events should be written on the athlete's arm, or some other clear indication of order provided to the marshals

Authority	All events will be conducted under the rules of competition of the current IAAF Handbook, IPC or ACTLAA rules. Local rules take precedence where no IAAF or LAECT rules apply.		
Footwear Policy	The wearing of footwear is mandatory at all LAECT sanctioned events.		
Definition of spikes	"Spikes" are defined as footwear which have some sharp objects on or attached to the shoe (especially the sole). The objects may be metal or of some other rigid material. "Spikes" includes any shoe capable of taking spikes whether these spikes are fitted or removed. This includes the replacement of the spikes with blanks.		
When Spikes can be put on	For track events, the spikes may only be put on immediately prior to the start of the event and must be removed on completion of the event and while competitors are still in their lanes.		
Use of spikes	Use of spikes		
	Age Group	Events	Grass Tracks
	U/7 & U/8	All events	NO SPIKES
	U/9 to U17	All laned Events, javelin, long jump, high jump and triple jump events	No longer than 9mm
			Bruce Facility
			Smooth Pyramid or 'Christmas tree' spikes, no longer than 7mm

Who are allowed to be on the Playing field?	<p>Only officials and those competitors actually competing in an event are permitted into the competition area. On completion of an event, athletes must leave the competition area immediately.</p> <p>Chief Officials will be identified by the wearing of a yellow vest or an appropriate arm band. Other Officials will be identified by the wearing of an orange vest. Anyone without a vest or armband, apart from competitors, are NOT to be inside the competition area.</p> <p>Children of officials, parents and spectators are not permitted in the competition area.</p>
On Field coaching	<p>Athletes must NOT receive coaching from within the competition area whilst competing in an event. Athletes who receive coaching from within the competition area during an event may be disqualified.</p> <p>No person is permitted to offer advice to an athlete from within the competition area other than an Official.</p>
Bad Weather	<p>If the weather intervenes, the Carnival Manager and the Track or Field Referee have discretion to cancel or reschedule any/all event/s.</p> <p>Notification to Centres of the cancellation of all events will be made as soon as possible following the decision by E-mail and posting on the LAACT website.</p>
Merging events	<p>The Carnival Manager and the Track or Field Referee have the discretion to merge age groups of the same sex into one event where numbers are low.</p>

CONDUCT OF EVENTS

Role of Event Chiefs on Uniforms	<p>Field Event Chiefs/Chief Marshal/Start Marshal have a responsibility to ensure that athletes are in their correct uniform. Once an athlete commences an event, that athlete cannot be disqualified on the grounds of incorrect uniform.</p>
Track events	<p>Track events will take precedence over field events. Any competitor who leaves a field event to compete in a track event may return to the field event and complete his/her full complement of trials, with the exception of the High Jump. Should this involve only the single athlete, sufficient time two (2) minutes will be given between trials. In the High Jump, a competitor will return to the event at the height to which the bar has been raised to through normal competition.</p>
Field events – Allocation of Assistants	<p>For all field events, only Chief Officials will be allocated prior to the Carnival. All field event assistants will be called for by the relevant Chief Official from parents of athletes competing in that event at the time the event is run.</p>
Reporting for competition	<p>Competitors in track events are to report to the designated marshalling area immediately after the first call for an event.</p> <p>Competitors in field events will report direct to the event area immediately after the first call for that event</p> <p>Each event will receive two marshalling calls only, approximately five (5) minutes apart. Under no circumstances will marshalling calls be made for individual competitors.</p>
Records	<p>Any records set need to be verified by the Track or relevant Field Referee as appropriate. For track events, this requires verification of the result from three watches where hand timing is used and where electronic timing is used sighting of the electronic results. For field events, the appropriate mark etc. needs to remain in place for verification.</p> <p>It is the responsibility of the event Chief Official and the relevant Referee to complete and countersign a newly achieved record before the paperwork leaves the competition area.</p>
Marshals	<p>Competitors are to be escorted to the Marshalling or Event Area by a Centre Official who is not to leave until the group of competitors are registered by the Marshal/Event Official and clearance gained for the use of 'spikes'. If a competitor is at another event, the Marshal/Event Official is to be advised of the name of the missing competitor and what event they are at. Competitors are not to report to the Marshalling Area unless their event has been called.</p>
Field event Chiefs	<p>Field Event Chiefs should make all athletes aware that they may seek the relevant Field Event Referee's presence to adjudicate on the legitimacy of a throw or jump, but that no retroactive re-instatement of any attempt not observed by the Field Event Referee will be permitted.</p>
Athletes with disabilities	<p>Any athlete with a disability competing at Carnivals is only able to compete with the approval of the Competition and Technical Director and appropriate Referees prior to the carnival starting. In the interests of safety, all equipment used by such athletes must comply with IPC rules. Any athlete competing without approval may be disqualified from competition.</p>

CENTRE RESPONSIBILITIES

Uniforms	All athletes must compete in their approved Centre Uniform, complete with current age patch, LAA sponsor's logo and registration number.
Responsibility for uniforms	It is the Centre's responsibility to ensure the completeness of an athlete's uniform. Any difficulties should be cleared with the Carnival Manager, who has been granted discretion on these matters, prior to the athlete's first event of the day.
Team Managers	Each Centre must provide a Team Manager who is to report to the Officer of Officials on the day. The Team Manager is responsible for all aspects of the management of the Centre activities on the day including the formation of composite teams prior to marshalling.
Manager of Officials	Each Centre must provide a Manager of Officials who is to report to the Officer of Officials on the day. The Manager of Officials is responsible for ensuring that the required officials from the Centre are provided for the whole of the carnival.

PROTESTS

First Step	Before a protest is lodged, in the first instance a verbal approach may be made by an athlete/ team manager to the Official responsible for the decision.
Written protest	If not satisfied with the Official's interpretation of the decision; the Track or Field Referee, as appropriate, must then be asked for a decision; if not satisfied with that decision a written protest may then be lodged with the Carnival Manager, by the Team Manager, to be adjudicated by the Jury of Appeal.
Timing of Protest	The protest must be lodged not more than thirty (30) minutes after the event result has been posted and be accompanied by a protest fee of \$50.00.
The Jury of Appeal	The Jury of Appeal will consist of the Carnival Manager, the Officer of Officials and the Referee who was not involved in the original decision.
Conflict of interest	If any member/s of the Jury of Appeal are associated in any way with the protesting team or were involved in the original decision, a replacement will be appointed to the Jury on the day for that appeal only by the Carnival Manager.

RC/3 RULES FOR COMPETITION RELAYS

Field Event age Groups	Athletes should compete in their own age group in the Field Relays.	
Track Event age groups	Athletes may compete in older age groups in Track Relays where a Centre is having difficulty in fielding a complete team, except that U7 & U8 may not compete in the Super Sprint medley circular relay. Note: A complete same age relay team may only compete in two relay events	
Composite teams	Composite teams comprising athletes from different Centres or athletes of varied age groups may compete in Track Relays. Note that the composition of these teams must be given to the recorders. Mixed gender teams are not permitted. Team Managers are responsible for the formation of composite teams prior to marshalling	
Points scoring	Centres may enter more than one team per age group in Track Relays, but only four athletes (one team) from each Centre will score points in each age group. Composite teams comprising of athletes from different Centres will share the points designated for their relevant placing in the event.	
Overall winner	The teams points score will be based on the total points gained in all four (4) relay events. The Centre accumulating the highest points overall will be awarded the LAACT Relay Shield	
Points score	Once placings have been decided, points for each relay event will be allocated as per the table below:	
	13 points for 1 st place	6 points for 7 th place
	11 points for 2 nd place	5 points for 8 th place
	10 points for 3 rd place	4 points for 9 th place
	9 points for 4 th place	3 points for 10 th place
	8 points for 5 th place	2 points for 11 th place
	7 points for 6 th place	1 point for 12 th place
	<p>a. Teams that compete in a track relay but are disqualified receive one (1) point for competing</p> <p>b. Teams competing in a field relay that fail to obtain a measurable and/or qualifying performance receive one (1) point for competing.</p> <p>All competitors are encouraged to compete in four (4) events. These events are a short relay, a long relay, a jump and a throw. The actual events are as follows:</p>	

Track	U7-8	4 x 50 metre shuttle relay & 4 x 100 metre shuttle relay
	U9-10	4 x 70 metre shuttle relay & 4 x 100 metre circular relay
	U11-17	4 x 100 metre circular relay & 4 x super sprint medley circular relay

	U10 & 12	Long Jump and Discus
	U11	Long Jump and Shot Put
	U13, 15 & 17	High Jump and Shot Put
	U14	High Jump and Discus

LONG JUMP

Take off area	The size of the long jump take-off area for both boys and girls is as follows:		
	Under 7	1 metre sq mat	½ metre from edge of pit
	Under 8 & 9	1 metre sq mat	1 metre from edge of pit
	Under 10 to U12	1 metre x 0.5 metre	1 metre from edge of pit

TRACK EVENTS

Starting blocks	Starting blocks may only be used by U13 and above Age Groups in the 4 X 100m and super sprint medley circular relay.
Relay heats	<p>a. In the shuttle relays, if more than ten (10) Centres compete in any one relay, heats will be run.</p> <p>b. If more than eight (8) Centres participate in the 4 x 100 metre and super sprint medley circular relay, heats will be run.</p> <p>In both instances no final will be run but the final placings will be based on the times recorded in the heats.</p>

Super Sprint medley circular relay	In the Super Sprint medley circular relay: a. Classed as a non laned event for the 400m runner only and therefore spikes are not permitted for that runner. b. Order of running will be 100m, 100m, 200m, 400m (note 100m and 200m will be in lanes) c. Change over zones used in order will be: 4 x 100m, 4 x 100m, 4 x 200m. The change over zone will be 20m (10m either side of centre) and no acceleration zone will be used d. 400m leg becomes single lane at a designated and marked cut in point at the entry to the back straight
Lane draw	The lane draw will be advised on the day.
Track Disqualification	A relay team will be disqualified if they are responsible for two (2) false starts

FIELD EVENTS

Field trials	In the Long Jump, Shot Put and Discus events, each competitor will be allowed two (2) trials only.
Field relays	For field relays, performance of the two (2) top competitors from each Centre will be added together to determine the overall team placing.
Weights	The weights of the throwing implements are as follows:
